

Tamarita

YOUR DREAM VACATION AWAITS

A timeless beauty

Built in 1991 by Perini Navi, our S/Y Tamarita is part of the extremely popular Perini Navi 46 meter series. S/Y Tamarita, Ex Piropo IV has been built with cutting edge sailing technology combining style and performance. The boat was built uniquely to encompass autonomous Atlantic cruising, making it not only luxurious and comfortable but also exceptionally safe! S/Y Tamarita has been refitted in 2022 and features high end fabrics in both its interior and exterior areas as well as various other upgrades.

Living room

Main Saloon area with a classic composition that fully compliments the prominent woodwork dressing the walls of the interior.

The tables are custom made with cup holders matched with nautical style lamps surrounding the area.

DINNING AREA

Master stateroom

Able to welcome up to 10 guests, the yacht has four large and polished staterooms, ensuring plenty of accommodation flexibility.

All cabins are ensuite and include the large full beam master, a VIP, and an additional five twin cabins.
